To all the Supporters of 2-506th IN,

On behalf of Chaplain (Captain) Jared Vineyard and Sgt Shane Birdsong, we would like to send out our personal thank you to each of our supporters during our deployment to Paktika Province, Afghanistan, as a part of Operation Enduring Freedom. On behalf of all of the Soldiers from our battalion and others attached to us, we would like to personally thank you for the thousands of care packages that each one of you sent over the past year. It is a true honor that we have such grateful Americans supporting our efforts here in Afghanistan and words cannot convey our appreciation. We believe that you and your volunteers are heroes for your efforts in reaching out to our Soldiers a world away from home. Your contributions have not only lifted the spirits but helped the well-being of these men and women who sacrifice so much every day. For this we cannot thank you enough. As we transition from Afghanistan to redeploy back to Fort Campbell, Kentucky, we wanted to extend our most sincere thank you. May God continue to bless you, our Soldiers, and our great nation.
