Marines Care,

On behalf of the Picatinny Hunters Helping Heroes Wounded Warrior program, I would like to thank you for your gracious and heartfelt donation that provided the means for six wounded veterans to enjoy a first-class hunting retreat.

In honor of all service men and women, we are very grateful for your support and generosity. Many of our nation's veterans love to experience the tranquility and therapeutic atmosphere of the wild outdoors but aren't always able due to financial or physical obstacles. Our organization, with the support of donors like you, aims to ensure our veterans are able to fully enjoy the land they have sacrificed to protect and defend.

Your \$500 donations for each participating veteran was greatly appreciated and helped make this an awesome 4 day retreat.

As no goods or services were provided to you in consideration of your generosity, your donation is tax deductible to the limits allowed by law.

Again, thank you for your support!

Sincerely,
