Dear Pete Gallo,

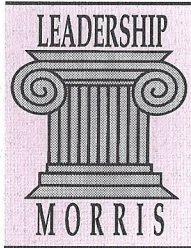

On behalf of Leadership Morris and the Morris County area Gold Star Mothers, thank you and the Marines Care organization for sponsoring the Gold Star Mother scarfs. Gunny Monico was the Marine behind the scene that designed and produced the beautiful scarfs. Gunny Monico also presented the scarfs in a fitting and memorable public tribute to each Gold Star Mother in attendance. We salute Gunny Monico for his contributions and his service to our Nation. He is an ambassador to the Marine Corps. He clearly walks the talk of the Marine Corps motto "Once a Marine – Always a Marine".

The Gold Star Mothers and their families expressed their appreciation to all who took the time to remember the service and sacrifice of their sons. Morris County New Jersey has a rich Military history. On the historic turf of the Morristown Green in front of the 1946 Gold Star Mothers Tree, together we honored and remembered those Warriors who gave their all since the tragic events of 911. Please find enclosed some photos of the Gold Star Mother dedication ceremony. This ceremony was organized by our organization's alumni association under the leadership of Lee Moreau and Jill Knaus. They did a great job.

Thank you for your unwavering support to all those who serve their County.

Sincerely,

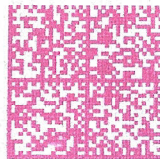

Dr. Joseph Nazzaro
