AMERICA'S FINEST

January 7, 2013

Dear Pete,

All the members of Operation Jersey Cares thank you and the members of the Marines Care Foundation for your generous donation of \$1,000.00 in memory of L CPL Chris Cosgrove III. Your donation will help purchase and mail much needed supplies to our Marines and Soldiers far away from home in Afghanistan.

As you know, OJC is an all voluntary organization that collects and sends products to our military personnel overseas, tries to help financially combat wounded Marines and Soldiers and supports our veterans in Veteran Homes and Military Facilities.

Again, thank you for your donation and support. Most of all our military personnel thank you for remembering and supporting them!

Very truly yours,

Rich Schaefer
Trustee
