MARINES CARE

L/Cpl Robert J. Slattery Detachment #206

P O Box 306

Whippany, NJ 07981

Dear Friends:

On behalf of *Family and Friends for Freedom Fund, Inc.*, we would like to extend our sincere appreciation for your generous donation of \$1,000.00. Your support has allowed *Family & Friends For Freedom*, a non-profit 501 (C)(3) charitable organization, to continue our efforts to support injured Marines and their families. We have helped to replace despair and isolation among Marine families throughout the US with a reality of hope and optimism to face the future with renewed strength and determination.

Since January 2005, *Family and Friends for Freedom Fund* has vigorously and successfully raised funds to provide financial assistance to 260 military families. We have sent grants in excess of \$500,000.00 to help these American Heroes and their families in their long road to recovery.

Once again, we thank you for your support. God Bless our Troops!

Sincerely,

A handwritten signature in cursive script that reads "Kathy Sturla".
